Students may begin creating and validating their Wish List as soon as the Schedule of Classes becomes available.

When students validate their Wish List, the system performs pre-requisite and time conflict checking. Courses that do not pass the validation process will have messages displayed indicating the specific problem.

*Students receiving VA benefits for chapter 30, 31, 33, 1606, 1607.

Successful validation of the Wish List does not enroll the student in the selected classes.
