

The 15th Annual University of Maine CLINICAL GERIATRICS COLLOQUIUM

TUESDAY, OCT. 27, 2020

“Creating Age-Friendly Health Systems”

- Principles of high-impact age-friendly health systems
- Using technology to promote health and social connectivity in the age of COVID-19
- The challenge of older adult isolation and loneliness
- Focusing health care on the 4Ms (what Matters most, Medication, Mobility, Mentation)
- Exemplars of age-friendly health care in Maine and across America
- The importance of the social determinants of health for rural aging

SPECIAL NOTICE: To respect the safety and health of all of our participants, this year’s colloquium will be a virtual event. Program and registration information coming later this summer.
