Heather Kerner of the Good Crust

February 6th, 2023 @ 5:00pm

Hitchner Hall Food Pilot Plant- 7 Portage Road

Do you have a passion for pizza? What about an enthusiasm for entrepreneurship? Come kick off the spring semester with the FC and Heather Kerner, founder of the Good Crust! Drawing from her experience as a longtime Occupational Therapist, Heather drives positive change with pizza dough made with 100% Maine-sourced grain and by creating jobs for individuals with unique needs such as autism, cerebral palsy, and addiction recovery. This visit will take place in the Food Pilot Plant so bring your friends and appetites!
